TOG FOOTWEAR COLLECTION FALL / WINTER 2015

The  
Orthotic  
Group

— An OHI Company —

Anniversary

The Orthotic Group  
Since 1985

# WELCOME TO FOOTWEAR PLUS

Cooler weather is on its way, and the fall/winter 2015 edition of Footwear Plus offers new boot styles in addition to casual, athletic and dress shoes from legacy brands that you have grown to trust. I encourage you to visit the middle section of Footwear Plus, where you will find an expanded selection of Apex orthopedic footwear, a global brand that is now part of the OHI family. As a TOG customer, you have exclusive access to this exceptional line of men's and women's sport, casual and dress shoes. We are confident that you and your patients will appreciate the quality, style and selection of the footwear this fall and winter.

Thank you for your continued loyalty and partnership.

Peter Karolidis  
Vice President of Sales and Marketing

## TABLE OF CONTENTS

3 WOMEN'S FOOTWEAR

12 MEN'S FOOTWEAR

17 CHILDREN'S FOOTWEAR

18 SAFETY FOOTWEAR

A woman with long, flowing red hair is smiling and looking towards the camera. She is wearing a white, short-sleeved top. Her hair is blowing in the wind, and she has her right arm extended forward. The background is a bright, sunlit outdoor setting, possibly a field or park, with a soft, golden glow.

The Orthotic Group is proud to present a comprehensive line of Apex® shoes for men and women that provide comfort and support in a variety of styles.

- Apex Athletic Footwear features a triple density sculpted mid-sole, a molded external heel counter, a padded collar and tongue for quick, comfortable relief from pain and return to an active lifestyle.
- The Apex Petals collection is made with a roomy toe box, 5/16" removable depth in two layers and full grain leather uppers to be soft, light and fashionable.
- The Apex Men's Casual line not only features the quality materials and anatomical fit of other Apex shoes, but also utilizes moisture transferring linings, lightweight polyurethane and gels. This line also offers adjustable vamps for easy foot insertion and stability.
- The Apex Ambulator styles for men and women are designed by a team of doctors for patients with diabetes, arthritis or painful foot conditions.

## Orthopedic features and benefits of Apex footwear:

- Removable inserts up to 1/2" of removable depth, allowing for modification with custom foot orthoses.
- Secure, adjustable closure via either lace or velcro to secure the foot in the shoe.
- Available in three widths to allow for proper fitting.
- High, broad toe box to accommodate forefoot shape and deformities.
- Broad, SmartGrip™ polyurethane outsoles and genuine full grain leather uppers for comfort and durability.
- Heel stability via a firm heel counter with padded collar.

## Safety Features and Protection Markings

The green triangle indicates sole puncture protection with a Grade I protective toe to withstand impacts up to 125 Joules, comparable to a 22.7 kg (50 lb) weight dropped from 0.6m. Sole puncture protection is designed to withstand a force of not less than 1200 Newtons (270 lbs) and resist cracking after being subjected to 1.5 million flexes.

The orange Greek letter omega indicates soles that provide resistance to electric shock. Such certified footwear contains a sole and heel design assembly that, at the point of manufacturing, has electrical insulating properties intended to withstand 18,000 Volts and a leakage current not exceeding 1mA.

## Recommended Use

For any industry, especially construction and heavy work environments, where sharp objects such as nails are present.

For any industry where accidental contact with live electrical current conductors can occur.

Warning: Electrical Shock Resistance deteriorates with wear & in wet conditions.

## The Orthotic Group Footwear Return / Exchange Policy

We offer a no-fee service to exchange the size or style within 30 days of purchase, provided the footwear has not been worn. This applies to all footwear with the exception of Birkenstock sandals. If you require The Orthotic Group to re-issue a new size or style, please send the original footwear back to the laboratory (free from wear) along with the orthotic insert/footbed. If no exchange for size or style is required and you are returning

the footwear for a refund, a credit will be issued on your next accounting statement. If a new size/style is requested and the product has been worn, a charge will apply (contact lab for details). In order for credits and exchanges to be accepted or processed, the original manufacturer's inserts must be included with all returned footwear. Damaged footwear boxes will incur a \$10 charge.
